- Initiate and participate in discussion regarding staffing requirements

- Facilitation and participation in the recruitment, performance management, orientation, induction, mentorship, supervision, education and professional development of students (including work experience students) and other Grampians Health personnel as directed
- Participation in Grampians Health Performance Development & Review Program, Clinical Supervision Program and professional association programs where applicable
- Assist the OT managers in the completion of performance management activities

5. Service Development

The Occupational Therapist - Grade 3 will participate in the development of services that are accessible to those clients of Grampians Health with the greatest potential to benefit

- Leadership and participation in strategic planning, staff meetings, service development and other relevant forums

The Occupational Therapist - Grade 3 will understand and adhere to relevant financial aspects of departmental function

- Initiate and participate in discussion pertaining to resource allocation, equipment purchasing and revenue generation
- Understand financial policies and processes, practice fiscal responsibility and act in accordance with relevant organisational policies and procedures such as the Grampians Health Delegations of Authority
- Facilitate an appreciation of departmental financial processes with junior staff

6. Governance and Risk Management

The Grade 3 Senior Clinician will demonstrate:

- Compliance with all Grampians Health Policies and Procedures
- Adherence to all Grampians Health infection control policies and procedures
- Participation in the Grampians Health integrated risk management and quality improvement systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague
- That the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- Recognition and respect of diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.
- Commitment to a patient/client centred approach in the provision of health care and services, consistent with Grampians Health and OT Department values, mission and vision. It is expected that you demonstrate the core values of patient centred care in every interaction with patients, carers and colleagues

- In accordance with current legislation and organisational policy, employees must be willing to undertake and maintain a police check, working with children check and where necessary an NDIS Worker screening check. Ongoing employment will be dependent on the provision of satisfactory checks.

- Compliance with all Grampians Health Policies and Procedures.
- Adherence to infection control policies and procedures as identified in the Grampians Health Infection Control Manuals

OTHER RELEVANT INFORMATION

- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.
- All Grampians Health employees are required to take reasonable care of their own health and safety in the workplace as well as take reasonable care for the health and safety of others who may be affected by their acts or omissions. Persons with delegated management functions have an additional duty to provide and maintain a working environment that is safe and free of risks to health, so far as is reasonably practicable in areas where they have management or control. All employees have a duty to report issues they cannot rectify, follow all existing Grampians Health policies and protocols relating to health, safety, wellbeing and injury management and cooperate with any action taken by Grampians Health to comply with the OHS Act or Regulations.
- Statements included in this Position Description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.
- Management may alter this Position Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- An annual performance review will occur with your Manager. Your performance review is intended to be a positive discussion, outlining the key roles and responsibilities outlined in this Position Description. The performance review discussion provides an opportunity to clarify your role, revise key performance activities and identify any objectives or goals for the year ahead.

APPOINTMENTS

All Allied Health practitioners who provide patient care services in the context of clinical care, research, and teaching within Grampians Health (GH) will be appointed in accordance with the relevant Grampians Health Recruitment Policy. These appointments are subject to routine review, incorporating the Allied Health practitioners' credentials and definition of scope of practice. The initial credentialling and the co-ordination of the credentialing process for Allied Health Practitioners including the determination of scope of practice is undertaken through the office of the Chief Medical Officer in conjunction with the office of the Chief Allied Health Officer.

LOCUMS

Suitable qualified and experienced practitioners may be appointed as locums to cover the leave of Allied Health Practitioners to fill gaps in service. All locums will be required to provide sufficient credentialing paperwork prior to commencement and receive approved interim credentialing prior to locum contracts being signed. Shorted Performance appraisal document to be completed.
